🎓 Education

Bachelor of Technology in Electronics and Communication,

University Institute of Engineering and Technology

2020 – 2024

Kurukshetra, India

- CGPA :7.66

Senior Secondary Examination, Indian Senior Secondary School

2019 – 2020

Gurgaon, India

- Stream: Non- Medical

- Percentage: 77%

Secondary School Examination, Indian Senior Secondary School

2017 – 2018

Gurgaon, India

- Percentage: 85%

📁 Projects

Citizen Safety App

- Objective : Detects and flags malicious fraud attempts through messages, links, UPI IDs, and applications, alerting users before they proceed with payments.
- Functionality : Allows users to copy and paste suspected links to verify their association with fraudulent accounts.
- Technology Stack : Android Studio, Azure, Material Design

Student Registration System

- Created a student registration system using Java and MySQL, allowing administrators to manage student records.
- Designed a user-friendly interface for data entry and retrieval.
- Implemented secure data storage and retrieval using SQL.

Personal Portfolio

- Tools & Technologies : Netlify for deployment, Git for version control and Figma for design mockups.
- Features : Ensured compatibility across devices and screen sizes. Detailed presentation of project with descriptions, technologies used, and live demos.

🧠 Skills

Languages — Java, HTML, CSS, JavaScript

Frameworks and Libraries — React.js, Bootstrap, Tailwind CSS

Tools and Technologies — Git, GitHub, VScode

Databases — MySQL, MongoDB

Coursework — Data structure and algorithm, Object oriented programming, Operating system, DBMS

📄 Certificates

Java Training Certificate at Solitaire Infosys

This training experience provided me with a strong foundation in Java programming, enabling me to develop proficiency in various Java technologies and tools. During the training, I gained hands-on experience in Java application development, database integration, and problem-solving.

Web Development Training Certificate at InternPe

This training has equipped me with a strong foundation in web technologies, which enhanced my ability to design, develop, and deploy efficient, and responsive web applications. I am eager to apply my skills in practical projects and contribute effectively to software development endeavors, creating seamless user experiences and dynamic web solutions.

🏆 Awards

1st Prize in Kabbadi, Pratispardha

2023

2nd Prize in Debate, Excelsior

2022
